

## **Disinfection column**

### Hygiene station for disinfectant dispensers

The mobile solution for the ease of hand disinfection

# Disinfection column – Flexible and mobile

## Easy to clean and directly applicable

Contactless or with manual lever  
**Completely assembled – Ready for use**

**BERNSTEIN – Proven industrial technology offers numerous application possibilities and hygienic safety in all areas.**

No matter whether in entrance areas, office buildings, shopping centres, hotels, sanitary facilities or public institutions. With the freestanding hygiene station, you can place your disinfectant dispenser in such a way that it can be easily used by visitors / employees. Almost everywhere there is the opportunity to maintain effective hand hygiene – especially where there is wall mounting is not possible.

The hygiene station is delivered fully assembled including dispenser and collecting tray – directly ready for use. Would you like parts of the column in your CI colour? With pleasure! Just take a look at our RAL palette.
